

This architectural floor plan shows a building layout with a central corridor. The plan includes several rooms of varying sizes, some with internal partitions. There are two large rectangular areas, possibly open-plan spaces or large rooms, located towards the right side of the plan. The drawing uses simple lines to represent walls, doors, and furniture. A north arrow is present in the upper right corner, pointing towards the top right of the page. The overall layout suggests a functional, multi-roomed structure.
